Juan Cruz Rausch
Full Stack Developer

juancruz_rausch@hotmail.com Cel. +54 3435341533   Paraná, Entre Ríos - Argentina.
LinkedIn   Github   Portfolio

Full Stack Developer oriented to the Back-end. Experience working with NodeJS, React, Redux, MongoDB, SQL among others technologies. I led the creation of a Marketplace in which there is the possibility that each user publishes their products or services and can buy others from other sellers, these publications allow the user to choose between different viewing positions and types of shipments, and depending on which one them choose, will charge you a percentage that would go directly to the page. With creative thinking, problem solving, teamwork, communication and autonomy.

TECHNOLOGIES

HTML, CSS, Javascript, React, Redux, Node.js, Express, MongoDB, Mongoose, C++, Postgres, Sequelize, Figma1, Scrum.
